Dear Dave R. Stokely:

This email is to acknowledge that the Public Service Commission of South Carolina has received your Letter of Protest. Please be advised that your Letter of Protest will be placed in the Protest File of the Docket listed below and on the Commission's Website at [www.psc.sc.gov](http://www.psc.sc.gov).

- Docket No. 2020-125-E - Application of Dominion Energy South Carolina, Inc. for Adjustment of Rates and Charges (See Commission Order No. 2020-313)

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at: <https://dms.psc.sc.gov/Web/Email>; or you may follow specifically Docket No. 2020-125-E at: <https://dms.psc.sc.gov/Web/Dockets/Detail/117462>.

If we may be of further assistance to you, please do not hesitate to contact us.

Sincerely, Becky Latimer

**Subject:** [External] PSC Hearing - Dominion Energy Rate Increase Request

Commissioner Williams:

As a resident of Dorchester County and a retiree, I send you this email to request that you **vote to deny** Dominion Energy any rate increase at this time.

As you are aware, many of the residents of Dorchester County are experiencing economic hardship due to the effects of the COVID virus on the local economies. I do understand that it would appear that during normal times utilities seem to be guaranteed a minimum rate of return. However, these are not normal times. I believe the PSC should require that Dominion exhaust all other options to reduce their cost prior to the SC PSC giving any consideration to allowing this company any rate increase.

I worked in the chemical industry for 30 years and know what was required of us to remain competitive during lean times and it started with cost reduction. Dominion Energy should be required to demonstrate same.

I appreciate your consideration.

Very truly yours,

Dave R. Stokely
